Version Control : **Git**

Project Management : **Jira**

Testing : **Selenium**

SOFT SKILLS

- Team Collaboration
- Critical Thinking
- Open-Mindedness
- Leadership
- Technical Communication
- Creativity
- Stress Management
- Strategic Planning
- Reliability

SUMMARY

I am an enthusiastic undergraduate. Driven by a curiosity to learn and grow, I thrive on crafting seamless user experiences and developing robust solutions for modern applications.

With a keen eye for design and a dedication to mastering both the creative and technical aspects of development, I am eager to bring my skills to the real world. Currently, I am seeking an internship opportunity

EDUCATION

Uva Wellassa University of Sri Lanka (2022- Present)

- Degree Program : Bachelor of Information & Communication Technology Honors (Reading)
- GPA : 3.305

PROJECTS

- **Library Management System (Ongoing University project)** [🔗](#)
Web-based application designed to streamline the management of libraries by offering features like book management, user management, and efficient tracking of borrowed and returned books.
Tools & Technologies : **React | JSP | MySQL**
